Mr. and Mrs. Henry Childs and daughter of
Carmel street were called to the city Sunday
by the death of his sister, Mrs. Bettie Setters.

The Ohio Supreme Court's decision that a
resident of a dry county may depute his
neighbor to bring him home a little bottled
bibulosity from a wet county doubtless will
have the effect of influencing many persons to
take the broad and generous view that anybody
who happens to be handy is their neighbor.

EXCITEMENT

SPREADING

Many People Going to the
J. Jas. Wood & Son's
Drugstore

While it was known by a few people of
Maysville that the remedy Root Juice has
created considerable excitement throughout
the State by making scores of remarkable
cures during the past few months, it was not
supposed so many people from out of town
were interested, but many from the country
are helping to swell the crowds that are calling
at the drugstore to learn of the remarkable
discovery. A traveling man in the presence of
a number of home people said: "I wouldn't
take this whole town for what Root Juice did
for me. I suffered with my stomach and kid-
neys for years. I tried everything that I could
put the least confidence in, but continued to
grow worse. At times I felt like I had rocks
in the pit of my stomach. Often gas would
form in my stomach and bowels and press up
against my heart so that it would feel like it
would stop beating. Frequently I would get
deadly sick and throw up my food. Ofttimes
there was a raw, burning sensation in the pit
of my stomach and I was never free from pain
in my back and limbs. The doctors said the
pain in the limbs was rheumatic. While at
Lafayette I heard so much of Root Juice that
I decided to try it. I bought three bottles and
by the time it was used I had a good appetite
and could digest fat pork. I do not believe
any one enjoys better health than I now enjoy."
The Root Juice people have hundreds of testi-
monials of those who have been cured by the
remedy. It is sold for one dollar a bottle, or
three bottles for two dollars and a half. The
great remedy is now being demonstrated at
J. Jas. Wood & Son's Drugstore.

Personal

Mr. E. J. Kenney of Columbus, Ohio, is in
the city.

Mr. and Mrs. William Conley left yesterday
for Cincinnati on a short bridal trip.

Mrs. E. H. Kenner of Flemingsburg has been
on a visit to relatives here the past week.

Mrs. H. B. Cushman of Flemingsburg was in
Maysville yesterday visiting relatives and
friends.

Mrs. J. B. Russell has returned from a visit
to her mother, Mrs. Belle Armstrong of Flem-
ingsburg.

Mrs. J. F. Barbour and daughter, Miss Eliza-
beth, left Monday for Los Angeles, to visit
Mr. and Mrs. W. B. Mathews, Jr.

Mrs. Forman, who has been visiting her
sister, Mrs. Edward Myall of East Second street,
has returned to her home in Maysville.

Miss Myrtle Ashcraft will leave for St. Louis
tomorrow, after a pleasant visit with Dr. and
Mrs. J. A. Simpson of East Fourth street.

Mrs. John Willett of Ashland, after a visit
to Mrs. Dunlap Howe of Flemingsburg, is now
with her daughter, Mrs. John Harbeson, at
Wedon.

It is announced that the C. and O. has pur-
chased White Sulphur Springs, the famous
West Virginia resort, which will be opened
under new management on June 1st.

The price which the Chicago and Northwest-
ern paid for all the land it acquired in con-
nection with its new passenger terminal on
West Madison street in Chicago is \$9,537,590.68.

WHY THEY FAIL

MOST PILE REMEDIES MISS THE
CAUSE OF PILES.

Disagreeable treatment with ointments or
suppositories usually fails to cure piles, and
cutting them off won't remove the cause. Such
treatment only moderates the outside effects
of the disease and fails to remedy the inside
cause. The up-to-date doctors now use internal
medicine to free the circulation in the lower
bowel and so remove the disease.

Dr. Leonhardt's Hem-Roid, the first and only
guaranteed internal pile cure—in the form of
tablets—cures any kind of piles. Sold by J.
Jas. Wood & Son, Maysville, Ky. \$1 for a
large box. Dr. Leonhardt Co., Station B, Buf-
falo, N. Y.

GOMERISH BLUM.

A telegram was received from Mr. David
Hitchinger, now in Baltimore, announcing the
death in that city of his brother-in-law and
former partner, Mr. Gomerish Blum. Mr. Hitch-
inger, who went East Sunday, reached Baltimore
Monday, only an hour and a half after Mr.
Blum had passed away.

For many years deceased was a resident and
a highly esteemed business man of Maysville,
being the senior partner in the clothing house
of Blum, Hechinger & Co., in the old "Red Corner
Building," Second and Market streets, now oc-
cupied by the Farmers' and Traders' Bank. Mr.
Blum left Maysville a third of a century
ago to reside in the Monumental City, where he
made his home with his only son, Dr. Joseph
Blum, retiring from business on his departure
from this city. He was 84 years of age. His
wife preceded him to the grave many years
ago.

The interment will take place at Baltimore,
the time and place not stated.

MRS. LOUISA GEISEL.

Another of Maysville's venerable and greatly
beloved pioneer residents, in the person of Mrs.
Louisa Geisel, passed away last night at 12
o'clock at her home on the West end,
after an illness of ten days with infirmi-
ties of old age, having been preceded to the
grave by her husband 59 years ago.

Deceased was born in Hesse Castle, Ger-
many, April 17th, 1822, and came here from
Pittsburgh, Pa., in 1843, where she had since
resided, venerated and loved by all who were
fortunate in the charm of her acquaintance
and friendship.

She was a great lover of flowers, and her
home in the spring, and summer time was a
bower of loveliness, and was a mecca to which
hundreds paid annual visits to view the beau-
ties of the handiwork of this good woman.
She leaves an only son, Mr. G. W. Geisel of
this city, a daughter, Mrs. Elizabeth Heine,
having died some years ago.

The funeral will take place tomorrow after-
noon at 2 o'clock from her late home, with
services by Dr. John Barbour of the First
Presbyterian Church, Rev. E. F. Chatham of
the First M. E. Church, South, and Rev. F. M.
Harrop of the Third Street M. E. Church.

Interment in Maysville Cemetery by the side
of her husband.

PAROLE FOR BANK THIEF

Maudlin Sentiment Frees Young
Scoundrel Who Wrecked Bank
and Caused Wife's Death

This slobbering dispatch emanates from
Frankfort:

"Dan McMath, the former youthful Cashier
of the Foster State Bank, has been released
from the Penitentiary on parole. His three
years would have been up March 15th, and
upon the application of Representative G. T.
Reynolds of Bracken the Prison Board paroled
him. He left at once for home, but will only
tarry there long enough to tell his relatives
good-bye, for he is going to a new land, prob-
ably to Oklahoma, to make his fortune. His
home-going is occasioned by sadness, for six
months after he entered the Penitentiary nearly
three years ago, his faithful wife, who at first
refused to believe that he had embezzled \$19,000
of the money belonging to the Foster State
Bank, died, but he has a two and a half-year-
old baby which he will take West with him.
"McMath's downfall in the financial world
was due to the old story of using the Bank's
money to play the stock markets.
"When he counted up his losses he was
\$19,000 short. He went at once to the Jailor
at Brooksville, and made him lock himself up,
saying if he did not lock him up, then he would
commit suicide. He was indicted immediately
and sentenced three years to the Penitentiary."

The weather—Rain, possibly
turning to snow; much colder
Thursday.

Cost of Beauty

How New York Dames Keep Young
Recently a young New York Society
woman received her monthly bill from a
downtown beauty parlor. This particu-
lar bill amounted to Fifty-two dollars for the
month, which was, perhaps, a little lower
than the average monthly accounts ren-
dered by this Shop. It contained such
items as Turkish Baths, \$2.00; Facial
Water Rub, \$1.50; Facial Massage, \$1.50. The
attendants at these exclusive "beauty par-
lors" frequently make as much as ten
dollars a day in tips. Occasionally some
"grande dame" in sables extracts a per-
turbed ten-dollar piece from her gold bag
and tosses it to Nancy with an air of lofty
grace. One of these attendants confided
to a friend in an unguarded moment that
among the many lotions and beauty re-
storers used in such establishments, a
preparation for restoring gray hair was
most in demand. It is usually charged on
the bill at five dollars a bottle, under a
fancy name, but in reality is the same
formula as HAY'S HAIR HEALTH, which
retails at all druggists for 50 cents and a
dollar per bottle, and is manufactured by
PHILO HAY SPECIALTIES CO., New-
ark, N. J. U. S. A. HAY'S HAIR
HEALTH has many imitators, but those
who have used different preparations
agree that HAY'S HAIR HEALTH is the
most effective and safest.

Miss Ethel Thompson, the adopted daughter
of Mr. and Mrs. George M. Thompson, well
known in this city, died a few days since of
typhoid fever at the home of the family at
Elizabeth, W. Va.

Miss Elizabeth, youngest daughter of Circuit
Court Clerk James B. Kees, who underwent an
operation Tuesday morning at Wilson Hospital
for appendicitis, is reported this morning as
having had a good night and is doing nicely.

ROOSEVELT WAS PROPHET

But Taft is the Messiah of a Better
Era, Says Pastor Hill

At Detroit, Mich., Rev. John Wesley Hill,
Pastor of the Metropolitan Tabernacle of New
York City, a personal friend of both President
Taft and Theodore Roosevelt, characterized the
ex-President as only the herald of his policies.
"Roosevelt was a crusader," he said.
"Taft is a reformer. Roosevelt entered the
country with a bugle and heralded the ap-
proach of a new era. Taft came to consum-
mate it. The prophet is never the Messiah.
John the Baptist was not the Redeemer. Roose-
velt opened the eyes of the country to corpo-
rate graft. Taft will institute the proper
legislation."

CURED TO STAY CURED.

How a Maysville Citizen Found Com-
plete Freedom From Kidney
Troubles.

If you suffer from backache—
From urinary disorders—
From any disease of the kidneys,
Be cured to stay cured.
Doan's Kidney Pills make lasting cures.
Maysville people testify.

Here's one case of it:
M. C. Chisholm, 317 East Second street,
Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected
in my case some years ago has been per-
manent, and the testimonial I gave in their fa-
vor still holds good. I was bothered a great
deal by too frequent passages of the kidney se-
cretions, this being especially annoying at night,
when I was obliged to arise several times.
Having my attention called to Doan's Kidney
Pills, I procured a box, at J. J. Wood & Son's
Drugstore, and had only used them a short time
when I noticed a marked improvement. They
soon cured me, and I have learned of several
instances where they have been used with good
results."

THE DOMESTIC LIMIT.

We don't mind hooking her waist, looking to see if her white skirts show, and if her hat is on straight; we don't mind pinning up a veil now and then and cleaning the mud off her rubbers, but when it comes to holding one end of a store switch while she braids it, we think the limit has been reached, and it's time for us to assert our independence.

An aching back is instantly relieved by an application of Sloan's Liniment. This liniment takes the place of massage and is better than sticky plasters. It penetrates—without rubbing—through the skin and muscular tissue right to the bone, quickens the blood, relieves congestion, and gives permanent as well as temporary relief.

Here's the Proof.

Mr. J. P. Evans, of Mt. Airy, Ga., says: "After being afflicted for three years with rheumatism, I used Sloan's Liniment, and was cured sound and well, and am glad to say I haven't been troubled with rheumatism since. My leg was badly swollen from my hip to my knee. One-half a bottle took the pain and swelling out."

Sloan's Liniment has no equal as a remedy for Rheumatism, Neuralgia or any pain or stiffness in the muscles or joints. Prices, 25c, 50c and \$1.00. Sloan's book on horses, cattle, sheep, and poultry sent free. Address: Dr. Earl S. Sloan, Boston, Mass., U.S.A.

IRON FOR THE BLOOD

Doctors agree that iron is an important element for the blood, and that its deficiency is the cause of anaemia, run down conditions, and a general weakness. The best way to administer iron is in the form of VINOL, which is a combination of two world-famed tonics, the medicinal elements recovered from fresh cod's livers and Tonic Iron. John C. Beware of Imitations For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

Advice to Women A Message From a Famous Beauty Specialist to Women Lacking in Energy and Vitality

Thousands of women vainly attempt to improve their complexions and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trouble lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in sallow, muddy complexion, dark circled eyes, general weakness of the system, and perhaps most plainly in the weeping of the mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Dr. W. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucu-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucu-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucu-Tone, they will praise as I do its strengthening and healing qualities.

Rexall Mucu-Tone works through the blood, acting thus upon the mucous cells—the congestion and inflammation of which cause local catarrh. This remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. I know that Rexall Mucu-Tone does relieve catarrh. I positively guarantee to refund the money paid me for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexion. Price 50 cents and \$1 per bottle. Mail orders filled. It may be obtained only at my store—The Rexall Store. Thos. J. Chenoweth.

Our Senior Mr. D. Hechinger Started East Sunday Afternoon.

Amongst different instructions he left was one that you should all be interested in. It is patent to every one that reads that there will be a further advance in woollens. We asked the Senior if we should continue selling our best goods at the prices we had been selling them for the past few weeks, which we knew were less than he could again buy them for. "Yes," we were told; "just keep on selling, even if you have to put them down a little lower to get the money for them." It is a very simple question. When the present stock is sold and future purchases cost more, you will just have to sell them for more. Hence, according to these instructions, we will continue to sell our Winter Suits and Overcoats at the prices you see them marked in our windows.

Take advantage of these prices. It will be a money-saver to you. Very truly yours.

CERTAIN persons are perceiving that there is a man behind the smile at Washington.—Albany Journal.

High prices cannot be ascribed to the operations of the new Tariff Law. The increase is quite as appreciable in the cost of articles unaffected by changes in the schedules as in those articles affected by Tariff modifications. Indeed, it is true that things which today pay a smaller Tariff tax than under the Dingley Law have advanced correspondingly in price with things that are additionally taxed.—Washington Post.

HOPKINSVILLE has closed options on lots covering six acres, which will be purchased and donated to the Public School Board for High School purposes. The Maysville City Councilmen can well draw a lesson from Hopkinsville in regard to grounds for school athletics for both girls and boys. Six acres of the Ball Park out on East Second street would be the greatest civic investment ever made by the city of Maysville. Stop Women And Consider

This Fact—that in addressing Mrs. Pinkham you are confiding your private ills to a woman—a woman whose experience with women's diseases covers twenty-five years.

The present Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, was for years under her direction, and has ever since her decease continued to advise women.

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance, but a natural modesty causes them to shrink from exposing themselves to the questions and probable examinations of even their family physician. Such questioning and examination is unnecessary. Without cost you can consult a woman whose knowledge from actual experience is great.

MRS. PINKHAM'S STANDING INVITATION:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk of her private illness to a woman; thus has been established this confidence between Mrs. Pinkham and the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and never has the company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.
